Re: Novak v. Overture Services, et al. No. CV 02 5164

Your Honor:

On July 28, 2004, Plaintiff's office received a pre-motion letter from Defendant Goggle dated July 23, 2004.

I was away on vacation the week of July 25th returning August 2nd.

Upon reviewing the contents of defendant's request for a conference and their grounds for dismissal I request a short extension of time to adequately respond to the arguments made by this defendant.

Therefore, I am requesting a date of August 16th to fully respond.

Respectfully submitted,

Robert Novak
